4 ARTWORK

Format. JPEG, full size, 100 dpi or better. A vector file (EPS, AI, PDF) is better still for a banner.

When. We confirm your deadline with your order. Banner artwork is not needed until December, because banners cannot be hung until after the football season.

What we can print. Recognition carries your name, logo, address, phone number and website. It cannot carry promotional messages, prices, discounts or calls to action. We will tell you if anything you send needs adjusting.

5 PAYMENT Payable to VHS Baseball Stadium Club

☐ **Zelle** to vhsbaseballstadiumclub@gmail.com. Put your business name and "sponsorship" in the memo. Preferred, and it costs the program nothing.

☐ **I need an invoice for my records.**

☐ **Check or money order.** Contact us and we will confirm where to send it, or arrange to collect it from you in person.

6 PLEASE READ BEFORE SIGNING

Submitting this form is a request, not a completed purchase. Every order is subject to acceptance, and we reserve the right to decline any sponsorship, for any reason, at our discretion.

Placement is not guaranteed, because space is finite. Banners depend on available fence space and on school approval of placement and content. Printed recognition depends on available pages, and every publication has a fixed page count and print deadline. Orders are generally confirmed in the order they are received. **If we cannot fulfill what you ordered we will tell you before you pay**, and either offer an alternative or return anything already paid. You will never be charged for recognition we cannot deliver.

Your payment is not a fully tax-deductible charitable contribution. You receive recognition in return, which makes this a quid pro quo arrangement. Your deduction, if any, is the amount paid less the value of what you receive, and your own tax advisor is the right person to confirm how that applies to you. Many businesses treat sponsorship as an ordinary business expense instead. We will send a written acknowledgment stating what you paid and the value of what you received.

VHS Baseball Stadium Club, Inc. (EIN 87-2305079) holds 501(c)(3) status under Parent Booster USA's group tax exemption.
